

Malaysian Ideas with German Support

You have a brilliant idea to improve the social and economic situation of your community or to protect the environment, but you do not have the funds for it? The “Förderkreis eine Welt”, a NGO by the Employees of the Ministry of Foreign Affairs in Germany, offers to fund a project in Malaysia.

If you can tick **ALL** of the following boxes, your idea may qualify for our funding scheme.

- we are a registered Malaysian non-profit organization
- we have not enough own or third party funds
- we need less than 13.000 RM
- we plan to implement through active participation of the community or beneficiaries
- our project is sustainable and can be continued without further funding
- the funds are not used for governmental needs, military, police, criminal or terroristic activities
- all necessary governmental approvals for the project can be obtained
- the project does not violate any laws
- we are willing to fill in necessary forms, and proof that all funds have been used accordingly at the end of the project
