

Working hand in hand for human rights

You would like to make a difference and improve the situation of people facing particular challenges and need financial support for your idea? The German Embassy can support you making your ideas come reality.

If you want to apply for funding, please send your ideas in this form **by 30 April 2023** to pol-s1@kual.auswaertiges-amt.de.

Prior to applying, we advise you to **check whether you meet the formal requirements** for funding by checking whether you can tick **ALL** of the following boxes:

- we are a registered Malaysian non-profit organization
- our project will not start before 01.05.23 and will be finished before 31.12.23
- we have not sufficient own or third party funds
- we seek max. 90.000 RM in financial support
- we plan to implement through active participation of the community or beneficiaries
- all project funds will be spent in Malaysia
- all project activities will take place in Malaysia
- the funds are not used for governmental needs, military, police, criminal or terrorist activities
- all necessary governmental approvals for the project can be obtained
- the project does not violate any laws
- we have the capacity to fill in necessary forms, sign a funding contract and produce proof that all funds have been used according to the contract at the end of the project

If you do, please present your idea:

Project Name	
Organizer Name	
Are you a registered organization?	
Project duration	
Overall Project Budget	
Own funds	
Third party funds	
Funds requested (max. 90.000 RM)	
Have you been funded by embassies or international organisations in the past? Which one?	
Where will project activities take place? In which regions? Will interregional cooperation be an aspect of the project?	
What group(s) will mainly benefit from the project?	
Will you reach out to multipliers in your project?	
How will you ensure sustainability of your project results?	

Please elaborate on your project idea in the box below (1 page max.):

What do you intend to achieve?

What is your target group?

What is the intended impact, outcome and output?

How do you plan to measure the success of the project?
